**Dreamweaver Design Document**

Before you go on a trip, it helps to have a plan-especially if you're driving a website, you become like their bus driver, and the site you design is the where they want to go if you don't have a plan? That's what this is all about it. Otherwise you will never get to the destination of your dreams!

Email yourself to your Lakeview Address and then forward the email to your class

**Dreamweaver Design Document**

Before you go on a trip, it helps to have a plan-especially if you're driving the bus! When someone pays you to build a website, you become like their bus driver, and the site you design is their ideal destination. How will you get where you want to go? Do you have a plan? That's what this is all about it. Otherwise you will never get to the destination of your dreams!
